Rewriting history would be interesting. Let's see now, since the Founding Fathers were all evil slave owners and insurrectionists let's use Artificial Intelligence and make them all Black. Now they're all good guys and America is now great again thanks to Black Tyrone Washington the first president of the United States. Kareem Jefferson author of the Declaration of Independence

The billionaire and trillionaire Khazarian Jews see white people as a threat to their ultimate power and so, whites are currently being targeted. And Europe and all countries with significant amounts of people with European ancestry are being destroyed by an invasion of non-whites and not by accident. All orchestrated.
